## *Verse 1*

Hold His feet, never release  
Even you fall, rise up, keep walking  
He'll never let you down, never leave you  
When you see the darkness overcome, it's almost clear  
Look my friend, I was like you  
Now look, I'm delighted  
Delighted in Christ, the Son of God  
He gave His Son to save us  
I was in disaster, my eyes were blind  
My eyes had quit under the burden of sin  
Now, I've been freed  
Look, look, I can say it!  
Now, I've been freed  
Look, I can say it!

## *Chorus*

At the end I say  
At the end I say, you can find it funny  
But you see I'm just talking about Jesus  
Talking about Jesus

At the end I say  
At the end I say, you can find it funny  
But you see I'm just talking about Jesus  
Talking about Jesus

## *Verse 2*

Yeah! Jesus without You I'm so homeless  
I need You in everything I do  
Because without You I'm nothing  
I want you to take me for the rest of my life  
Because You're my path  
When there's wind and it's raining  
I'll never be afraid  
Because Your promise, it's clear

I'm the head, I'll never be the tail  
I'm happy to have You in my life  
I'm happy to have You in my life  
I'm happy to have You in my life

### *Chorus*

At the end I say  
At the end I say, you can find it funny  
But you see I'm just talking about Jesus  
Talking about Jesus

At the end I say  
At the end I say, you can find it funny  
But you see I'm just talking about Jesus  
Talking about Jesus

### *Verse 3*

Hallelujah!  
Every day, when I'm sleeping, when I wake up, You never change  
You're Alpha and Omega, the beginning and the end  
This is why I say; You're my shepherd  
You lead me beside still waters  
You make me lie down in green pastures  
That's why I say Jesus,  
Jesus I love You  
Jesus I love You

### *Chorus*

At the end I say  
At the end I say, you can find it funny  
But you see I'm just talking about Jesus  
Talking about Jesus

At the end I say  
At the end I say, you can find it funny  
But you see I'm just talking about Jesus  
Talking about Jesus

### *Verse 4*

Look my friend, we need to talk  
You can sit, I hope it's not too late  
You see my life, which wasn't anything  
Jesus came, He gave me everything  
If you're listening to me, I'm not asking anything  
I want to offer you something

He came into my life, He changed my life  
If you're looking at me now, I'm becoming someone new

*Chorus*

At the end I say  
At the end I say, you can find it funny  
But you see I'm just talking about Jesus  
Talking about Jesus

At the end I say  
At the end I say, you can find it funny  
But you see I'm just talking about Jesus  
Talking about Jesus

*Verse 5*

The Lord is my Shepherd  
I shall not want  
He makes me lie down in green pastures  
He leads me beside still waters  
He restores my soul  
He leads me in paths of righteousness for His name's sake  
Even though I walk through the valley of the shadow of death  
I will fear no evil  
For You are with me  
I will fear no evil  
For You are with me

*Chorus*

At the end I say  
At the end I say, you can find it funny  
But you see I'm just talking about Jesus  
Talking about Jesus

At the end I say  
At the end I say, you can find it funny  
But you see I'm just talking about Jesus  
Talking about Jesus

*Verse 6*

Hold Jesus' feet, He is your protector  
Hold Jesus' feet, He can guide you  
Hold Jesus' feet, He is my Shepherd  
Hold Jesus' feet, your situation will be ok  
Hold Jesus' feet, everything's gonna be ok  
Hold Jesus' feet, your situation will be ok

Hold Jesus' feet, hold Jesus' feet
